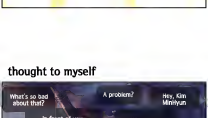
the guy is still mad

something like this

You've suffered a lot
So proud
Nice job
And so brave
I feel like, since it's you, I can give you this power
you went through that kind of trouble

thought to myself



What's so bad about that?
A problem?
Hey, Kim Minhyun
In front of you, someone is getting beaten up
Why is that a problem?
so why is it a problem that you are going in to help?
Isn't it an amazing thing?!

IT'S NOT LIKE
I WENT IN TO RAISE HIM
I JUST WANTED JUST TO CRUSH HIM
I ONLY HAD THAT KIND OF THINKING
IN MY MIND I WAS ONLY THINK ABOUT
MAYBE THAT WAS THE PROBLEM
HOW TO BEAT HIM UP

been a while since I went in
